

## How to get to HCFE

### By Road

Hartlepool is located off the A19, which runs alongside the east coast. Turn off the A19 at the A689 (to the left if heading south, to the right if heading north) and follow it into the centre of town (the route is well signed). The College is sited on this road in the centre of town (Stockton Street). Approaching the town centre on the dual carriageway, pass straight through a roundabout (which has a McDonalds on the right and a Comet on the left). Pass Camerons Brewery on your left (landmarked by red-painted statues of lions on the gates) and a fire station on your right and turn right at the next traffic lights (alongside the College) onto Hucklehoven Way. The College car park is the first turn left. Alternative College car parks can be found on Brunswick Street and Albert Street, and a public car park is also available on Albert Street (detailed map attached).

### By Air

Teesside Airport and Newcastle Airport are both connected to Hartlepool via rail and the A19.

### By Rail

The College is within five minutes' walk of Hartlepool Railway Station. Turn right when exiting the station and walk towards and past the church in the large square until you see Wilkinsons across the road. Without crossing, turn left along the pavement between the dual carriageway and a line of trees. The College is at the end of this path.

## The North East

### Key to map

- a - to Darlington and west
- b - to Sunderland, Newcastle and north
- c - to Thirsk, York and south

**Black lines and squares represent rail links and stations**

## Hartlepool Town Centre

### Key to map

- 1 - Hartlepool College of Further Education
- P - College car parking and main entrance (via Hucklehoven Way)
