PREVENT*	<p>The College is fully committed to safeguarding and promoting the welfare of young people and expects staff and volunteers to share this commitment. We operate a safe recruiting and selection policy and procedure and have in place a child safeguarding policy, which can be viewed upon request. The aims of these policies and procedures are to provide a safe environment for all students, we also contribute to effective partnerships with external agencies across the region and work closely with all support services to support and promote health and wellbeing. All health and wellbeing enrichment and support opportunities at the College take place throughout the academic year, in conjunction with tutorials and learner timetables, and are carried out by our Welfare and Retention Mentors (WARMs), Student Advisers, our SEN team and external partners and organisations.</p>
