IT'S

NEVER

OK

TO BE HOMOPHOBIC

As a gay man of 33 I think I've built up quite a thick skin and I do have a strength. That is not to say it doesn't hurt and it's certainly not right, but I've built up this immunity.

IT'S **NEVER** **OK** **TO BE ABLEIST**

The sad thing is that I'm not surprised at the ableist abuse I've received tonight regarding my appearance on Question Time. It's indicative of the country we live in right now. I will keep on speaking up, in my wonderful voice, for what I believe in

IT'S **NEVER** **OK** **TO BE AGEIST**

"I think that's made up, that at a certain age, the bell is going to ring and you are done. I don't think anybody buys into that. I don't know what freak-out we're all supposed to have, turning 50. For myself, last year, I was quite proud and happy."
