

**#TRANSFORMINGLIVES**

SCHOOL OF CONSTRUCTION AND THE BUILT ENVIRONMENT

## **LEVEL 2 SITE CARPENTRY**

### **TRANSITION PACKAGE**

(THIS PACKAGE NEEDS TO BE COMPLETED AND ASSESSED BY THE COURSE TUTOR)

## WELCOME

This course targets those students who wish to prepare for a career in the construction (Site Carpentry) industry, extending their previous experience, knowledge and skills.

At this level, you can begin to specialise in site carpentry,

The Level 2 **Site Carpentry** Diploma allows you to learn, develop and practise the skills required for employment and/or career progression in Site Carpentry.

## WHAT WILL I STUDY?

The content of this course covers a wide range of topics such as:

Course Content:	
Health & Safety	Storage and Handling
Communication Methods in the Construction Industry	Estimating Material Quantities
Knowledge of Building Technology	First Fixing Operations
Second Fixing Operations	Erect Structural Carcassing
Carry Out Maintenance	Set Up and Operate a Circular Saw
Functional Skills (English & Maths) if required	

There are 5 units delivered across the programme. These are some of the units you will learn about on the programme (see below).

Write your own thoughts on what you may learn in each one. These can be reviewed during your induction.

- Carry out first fix flooring and roofing
- Carry out first fix frames, partitions and stairs
- Carry out second fixing operations
- Carry out carpentry maintenance
- Set up and operate a circular saw

**TASK 1:  
RETURNING TO  
HARTLEPOOL  
COLLEGE**

Write a short paragraph on why you have chosen to come to Hartlepool College of Further Education.

.....

.....

.....

.....

.....

.....

.....

What are you looking forward to the most about college?

.....

.....

.....

Are you apprehensive about anything when coming to college?

.....

.....

.....

## TASK 2: Key Words

Within your units,  
you will learn important  
key words that to help  
you complete your  
assessment.

Fill out the table below  
with your thoughts on  
each of the words shown.

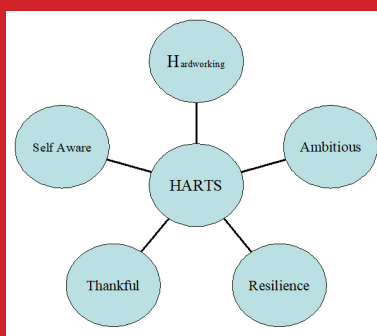

You will learn about on the  
programme. Write your  
own thoughts to what you  
may learn in each one.

These can be reviewed  
during your induction.

Word	Meaning
Carpentry	
Joinery	
Diversity	
Equality	
PPE	
Soffit	
DPC	
Health & safety	
Respect	

## TASK 3: HARTS

As part of the programme you will have a weekly tutorial in which you will learn about additional topics to support your personal development. You will learn the about the meaning of HARTS.

Explain why these words would be important as a college student.
